

AMENDMENTS TO THE DRAWINGS

Attached herewith is one (1) sheet of corrected drawing to be substituted for the corresponding drawing sheet presently on file in the above-identified application. The attached replacement sheet includes a change to Figure 13. The change is to correct a typographical error noted in the Office Action dated January 21, 2004, and is not believed to add new matter to the original disclosure. More specifically, the change is as follows:

Fig. 13, change "Lager" in item S132 to read --Larger--.
